CASE NO. 5:20-cv-06717-EJD

~~PROPOSED~~ ORDER GRANTING
ADMINISTRATIVE MOTION TO SEAL
PORTIONS OF MEMORANDUM AND
DECLARATION IN SUPPORT OF MOTION
WITHDRAW OF HIS COUNSEL OF RECORD

18 This matter came before the Court on the administrative motion of Todd Pickles of Greenberg
19 Taurig LLP (“Greenberg”) to seal portions of the memorandum and declaration in support of Greenberg’s
20 motion to withdraw as counsel of record. The Court finds the information subject to the motion is
21 information that is subject to the attorney-client privilege or the attorney-work product doctrine; there are
22 legitimate and compelling public and private interest to preserve the sanctity of the attorney-client privilege
23 and work product doctrines; if these portions are filed in the public record or served on the government
24 Mr. Schena and the public interest will be harmed; and that Greenberg has only redacted the limited
25 portions of the brief and supporting declaration that contain privileged or protected material. For these
26 reasons, and good cause showing, the Court hereby grants the motion to seal the following portions of the
27 following documents:
28

1. **Memorandum of Points and Authorities in Support of Motion to Withdraw as Counsel:**

8:21-23	Highlighted portion

These portions of the above-referenced documents shall remain under seal until further order of the Court, including as to counsel for the government to which only redacted copies have been served. Counsel for Mr. Schena is not required to serve unredacted copies on the government.

IT IS SO FOUND AND SO ORDERED.
